# Environmental Policy

DOCUMENT NUMBER: Q-Pol-002

ISSUE LEVEL: 02

## Our Scope

Uform acknowledges that businesses have a responsibility to protect the environment. We are committed to minimizing the environmental impact of our operations, products, and services, including manufacturing, warehousing, office activities and transport.

## Our Commitment

- **Protection of the Environment:** Proactively protecting the environment, including the prevention of pollution, sustainable resource use, climate change mitigation, and protecting biodiversity and ecosystems.
- **Compliance Obligations:** Fulfilling all legal requirements and other requirements (e.g., client requirements) related to our environmental aspects.
- **Continual Improvement:** Continually improving our Environmental Management System (EMS) to enhance our environmental performance and meeting the requirements of ISO 14001:2026.

## Our Objectives

To support these commitments, Uform sets and reviews specific, measurable environmental objectives, focusing on:

- **Waste Reduction:** Minimizing waste generation and improving recycling rates.
- **Energy Efficiency:** Reducing energy consumption and carbon emissions across our facility.
- **Sustainable Sourcing:** Implementing sustainable procurement practices to reduce the environmental impact of our supply chain.
