Environmental Policy

DOCUMENT NUMBER:

Q-Pol-002

ISSUE LEVEL:

01

Uform are committed to leading the industry in minimising the impact of its activities on the environment.

Key points to achieve this are:

- Reduce waste by evaluating operations and ensuring they are as efficient as possible.
- Reduce the use of toxic materials hazardous to the environment, employees, and public health.
- Promote recycling both internally and amongst its customers and suppliers.
- Meet or exceed all the environmental legislation that relates to the Company.
